

Lower School Report 1 | Year 8 Summer Term

Attainment Descriptors

Developing	Improving	Meeting	Exceeding
Students rarely demonstrate that they have met any of the criteria.	Students occasionally demonstrate that they meet some of the criteria for the term.	Students demonstrate that they regularly meet most of the criteria below.	Students almost always demonstrate that they meet all criteria. Often, they will take advantage of opportunities to broaden their understanding of the subject.

Computing

Subject	Learning Criteria	Resources to support your child at home
Python Programing and E-Safety	Students can write a simple program using sequencing. Students can manipulate a program and change variables to match given scenarios by creating a simple program that allows follows a set of instructions. They will use variables to store and change data. Students can use if statements to make decisions and apply selection to their programs. Identify common online risks, including cyberbullying, phishing, scams, and inappropriate content. Explain how to stay safe online by creating strong passwords, protecting personal information, and using privacy settings. Recognise the importance of a positive digital footprint and understand how online actions can have long-term consequences. Describe what to do if they experience or witness online abuse, including how to block, report, and seek support from trusted adults.	https://www.bbc.co.uk/bitesize/guides/zts8d2p/revision/1 https://www.w3schools.com/python/default.asp https://www.nspcc.org.uk/keeping-children-safe/online-safety/?gclid=aw.ds&gad_source=1&gad_campaignid=22751322475&gbraid=0AAAAAD1QhMqKkoNsk_GJNqErbEoolP8f&gclid=EAiaIQobChMIwMLjjP7PIQMVX5hQBh0obC7_EAAYASAAEgLv_j_D_BwE
