Criteria	Evidence
Criteria 1: Looked after and Previously Looked After Children	A looked after child or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements or special guardianship order will be given first priority in oversubscription criteria ahead of all other applicants in accordance with the School Admissions Code 2021. This also includes those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (as defined in Section 22(1) of the Children Act 1989).
Criteria 2: Local	Children permanently residing in the priority admission area of the Parishes of Ingatestone, Mountnessing and Margaretting will be asked to provide evidence at a later date. Or: Children attending Ingatestone and Fryerning Junior School, Margaretting and Roxwell Primary Schools (part of the Life Education Trust) or Mountnessing Primary School and on roll for Year 6.
Criteria 3: Sibling	Children with a brother or sister attending the school at the time of their application and where there is a reasonable expectation that the older sibling will still be in attendance at the time that the younger child is admitted.
Children of staff at Anglo European School	a) Where the member of staff has been employed at the school for two or more years at the time at which the application to the school is made, and/or b) The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
Criteria 4: International	<p>The International category is for children who demonstrate that they have benefited from a strong and positive influence of a language and/or culture other than English. This will include a significant period of permanent residence outside the U.K. or a direct, substantial and sustained experience of a language and culture other than English. In keeping with our internationalist ethos, our definition of culture is a community or country's shared traditions, values and attitudes, where English is not the dominant language of that community or culture. Our definition of a cultural experience is an experience that involves the child actively participating in such traditions and immersing themselves in such values and attitudes. The child's interests, hobbies or membership of societies are not relevant.</p> <p>Verification is essential for Criteria 4 and will be accepted from your Primary School Headteacher, together with the school stamp. They may be contacted at a future date to confirm their verification of the applicant. If a successful applicant is subsequently found to have submitted false verification, the Governors will reserve the right to ask the child to leave the school.</p> <p>Please confirm the point score you are verifying on page 2:</p> <p>Verified by</p> <p>Signature:</p> <p>Position held</p> <p>Address</p> <p>.....</p> <p>Tel No</p> <p>Date</p>
Criteria 5: Other applications	

PLEASE DO NOT INCLUDE ANY OTHER INFORMATION. The Anglo European School is an all ability comprehensive School. Certificates of achievement (including achievement relating to English and other languages), academic reports or letters from Headteachers referring to ability cannot be considered. If a successful applicant is subsequently found to have submitted false evidence or verification, the Governors will reserve the right to ask the child to leave the school.
