SIXTH FORM ENTRY REQUIREMENTS

FOR ENTRY IN SEPTEMBER 2023

All students are required to meet our matriculation requirement of 5 GCSEs grades 9-5 including a grade 5 or above in English. For students studying 4 A Levels, an average point score of 6.5 over the best eight subjects is required, including a grade 5 or above in English. Evidence of an international perspective is required for external students, together with a satisfactory reference from their current school. In addition, students need to meet the subject grades below, but should check all conditions on the individual subject pages on the Sixth Form Routes page.
