AGS

Dear yr 6 students,

My name is Sofia, but my best friends call me fifi. (a weird name I know.) My form is FT and I'm studying German and Spanish right now. I get to school by NIBsbuses. When I started school I thought of all those bullies that would laugh at me because of who I was, but through time, I pushed through those fears and became the best version I could be. I was excited about all the friends I could make in school. My favourite subject is Music, because it lets you

Express yourself through playing instruments. I joined anime club, but that club couldn't go on after the lower sixth forms went on a study trip. I would recommend Basketball club. It's fun, active and it's a good sport. Every year the yr 7s get to go to France. It's in it is a town called Ebbingham. You'll get to do fun activities and stuff like that. On our last day we went to an AQUARIUM!

I got to share a room with my besties: Isa, Vikki, Indi & Eadaoin

My advice

- Go. try to get as many achievement points as you can.
- Own it! don't stop being you.
- If anyone brings you down, do the best you can to rise against them!

Dear new year 7s,

I am Lily and I am in 7T. 7T is the best form but your form might be the best in your year. I am studying Spanish and German hopefully you enjoy your languages you get. I walk or drive to school because I live in Ingatestone but hopefully you get to school safe like me and other kids. I was worried that everyone would bullie me but they didn't. I have made a lot of new friends so hopefully you do to and not worry about anything. You can do a lot of new things at the Anglo so enjoy being at the Anglo.

Bye and enjoy

Hello! My name is maisy and im in 7T. I am currently studying german and spanish (they are great!) I get to school by car and walk down a path near the school! When I first joined, I was worried about getting lost! But when I joined, we got a map and teachers were ok with it if you were late. I was definitely most excited about making new friends since I love meeting new people and I've definitely achieved that. My favourite subject is history since the love of history runs in my family I've grew up with it and loved it ever since! Clubs are a great thing to socialize & know more things, I've joined drama club with my friends which is great and is funny too as we make jokes and do acting. My biggest challenge was getting used to the timetable but you get a print out of it for you to look at. EBBLING MEM WAS FANTASTIC! Its a truly great experience to stay in France

and travel, I shared a room with my friends which was amazing. (you take part in so many activities) My advice is 1) be kind as it will come back to you 2) check your timetable frequently and 3) the library is a place to definitely check out! Hope to see you at anato, bye!!

Hello my name is Carter I am 12 years old and I joined AES  
(Anglo European School) on September 6 2023. Ever since I got  
here, the school has been amazing because each lesson is  
so much fun and teachers are really nice too. We have  
so many excellent languages such as German, Spanish,  
Russian, Italian, Arabic, Japanese, French, Mandarin. The best  
part about being in Year 7 is that you get to Ebbw Vale in  
France for 8 days and it's amazing. I can't wait to see  
you in September. I know you all are going to do amazing!!!

dear future yr 7.

My name is Ella. My form is 7E & I was nervous to join year 7 and you might be too its perfectly normal. My first bit of advice is go to ebbingham. it is so much fun & you will meet many people. If people from your primary are with you stick with them until you find your own group. Don't try to hard to make friends they will like you for who you are. be as nice to people as possible you will make loads of friends. and the pizza here is amazing have a great time in year ~~7~~ 7 because soon yr 8 will come!

good luck year 7!

Hi im Sandra and I'm in 7T at the moment but by the time you will be reading this I will be 8T. When I first joined Anglo I was really nervous and scared and I wasn't really the person who knew how to make friends because I was really shy but I promise you you will make friends even if it takes a month or two which it probably won't for you but it did for me I'm sure you will make a ton of friends on the induction days and it will get hard to get used to being in a new school and you might miss your primary but I have many friends now and so will you. Anglo is really fun but sometimes you can have ups and downs but other than that it's a pretty good school. The teachers here are supportive and kind and you can ask them anything but sometimes if your ~~are~~ misbehaving they can get angry and give out detentions but it's not that bad but good luck!
