

Anglo European Sixth Form

Summer Transition Work

Subject: Biology

Exam Board: OCR

Qualification: A Level

Compulsory tasks:

*These tasks must be completed by students before their first lesson in September.
These tasks will be reviewed by the class teacher.*

1. Work through the booklet - Preparation for studying A level and IB Biology
 - a. The first section is about cell structure and biological molecules
 - b. The second section is to ensure you have the maths skills to help with you with maths skills which are needed for A level.

Advisory tasks:

These tasks will support you to excel in the course. They may not be explicitly reviewed by your teachers, but they will allow students to demonstrate a genuine passion for going “above and beyond” in this subject

Work through the SCOPE booklet and use the links to find out more about cells and their organelles
