

International Baccalaureate Career-Related Programme (IBCP)

Intent: To prepare students to succeed in a rapidly changing world by developing work-ready competencies and habits of mind which allow students to become work-ready and life-long learners.

Study Programme:

<u>The Core</u>	<u>Additional Information</u>	<u>Assessment</u>
Personal and Professional Skills	Students will be reflective by identifying their own strengths, weaknesses and areas of growth and be able to articulate themselves confidently. Skills relevant to personal life and professional life will be developed. (Public speaking, leadership, time management etc.)	100 hours, and evidenced in the form of a Portfolio.
Language and Cultural engagement	Students will engage with another languages and cultures and evidence an internationalist ethos.	Evidenced in a Language and Cultural Portfolio.
Community Engagement	Students will engage with the school and local communities to provide service. This will also inform the development of their personal and professional skills.	Evidenced through a portfolio.
Reflective Project	Students will identify, analyse and evaluate an ethical dilemma associated with an issue from their Career-related study. They will reflect on the process over time to develop their ideas.	Internally assessed 3000 word essay
Bespoke Work Experience	Students complete a two-week work experience which applies their core learning to practice and develops their professional network	Journal reflections through their Personal and Professional Skills Portfolio

Students must study a language course at any level as part of their IBCP courses portfolio. This adds a distinctive nature to the programme and allows students to evidence their international learning through a formal qualification, in conjunction with the language portfolio developed as part of the personal professional skills course. If a language has not been selected from the A Level choices or the IB Standard choices, students may select an introductory language from: Italian or Mandarin
