

# Process for Review of Results Summer 2025

Concerned about a result?

Usually scripts are requested first, and at a later date you can request to review a script/paper after receiving advice on how to proceed from your subject teacher or Head of Department.  
**It is your responsibility to contact your teacher and ask for advice.**

Decide what course of action to request?

Fill out the form and email to [examinations@aesessex.co.uk](mailto:examinations@aesessex.co.uk)  
Pay the fees (your request can only be processed once we have received payment).  
**All correspondence with the examinations department should be via email.**

Once you receive your requested scripts. Please discuss which paper should be reviewed with your subject teacher/parents before submitting your request to review.  
**(Examinations Team cannot offer advice)**  
The cost for the service is per paper, not per subject. For example, Maths has 3 papers.

Fill out the form and email to [examinations@aesessex.co.uk](mailto:examinations@aesessex.co.uk) It is advised to pay for one paper at a time for Review of Marking. Final mark could go up in one paper but down in another. Strategically choose your papers to review.

**DO YOU NEED THE OUTCOME URGENTLY?**  
**Available for AS & A Level only, for students awaiting grades for University places**

**YES**

**Request priority review of marking. Complete form, make payment and email to [examinations@aesessex.co.uk](mailto:examinations@aesessex.co.uk)**
