ANGLO EUROPEAN SCHOOL

Sixth Form Students' Destinations – 2026

In 2026, over 88% of our students went to university, of which 36% when to Russell Group institutions. 67% of students gained their first choice. The remaining students take a range of opportunities which include travelling abroad, apprenticeships and full-time employment. Over the past few years our students have additionally received offers from universities such as Nagoya University in Japan, University of Amsterdam in the Netherlands, Princeton in the USA, The University of Madrid in Spain, University of British Columbia in Canada and Hong Kong University of Science and Technology, all of which have a significant international reputation
