Compulsory tasks:

*These tasks must be completed by students before their first lesson in September.
These tasks will be reviewed by the class teacher.*

All students should complete the following sections, answering practice questions.

- Symbols and prefixes
- Standard Form
- Rearranging formulae
- Significant figures
- Electricity
- Waves

Advisory tasks:

These tasks will support you to excel in the course. They may not be explicitly reviewed by your teachers, but they will allow students to demonstrate a genuine passion for going “above and beyond” in this subject

All other sections are voluntary but you should look at the graph drawing section.

Try to watch some of the linked videos.

If you complete any additional tasks then let your teacher know.
