

Learning criteria

Developing	Improving	Meeting	Exceeding
Students rarely demonstrate that they have met any of the criteria.	Students occasionally demonstrate that they meet some of the criteria for the term.	Students demonstrate that they regularly meet most of the criteria below.	Students almost always demonstrate that they meet all criteria. Often, they will take advantage of opportunities to broaden their understanding of the subject.

PROJECT 2 – 3D

(Observational drawings, Cardboard (cut, score, manipulate), Artist research, Paper folding)

Students...

- Can analyse the work of artists in a personal and meaningful way
- Can render 3D structures from paper by folding
- are explorative and experimental when developing textures with card
- are becoming more confident with independent decision making
- can create a faceted 3D form (FP)
- can use craft knives effectively and safely to cut and score cardboard precisely
- use an appropriate amount of hot glue to make a sturdy structure
