

ANGLO EUROPEAN SCHOOL

“A DISTINCTIVE SCHOOL”

GUIDANCE ON THE ADMISSIONS CRITERIA - SEPTEMBER 2019

YEAR 7 APPLICATIONS

The school's number intended to admit in Year 7 is 210. All applications for entry to Year 7 must be made in accordance with the co-ordinated scheme operated by the child's home LA by 31st October 2018. For children resident in Essex this is detailed in the Secondary Education in Essex Booklet. **In addition, the school's supplementary information form should be completed for applicants applying under criteria 4 and returned to the school by 9th November 2018. Supplementary information forms submitted under criteria 4 without verification, or received after 9th November 2018, will be ranked as Criteria 5.** If you would like confirmation of receipt, please send a stamped addressed envelope. Applicants who currently do not live in England should make their application to Essex Local Education Authority. Parents are encouraged to contact the school in the first instance if they would like to clarify these criteria by telephoning 01277 354018 or email Admissions@aessex.co.uk.

MID-YEAR APPLICATIONS

The school's mid-year supplementary information form should be completed and returned to the school.

APPLYING THE ADMISSIONS CRITERIA:

1. Children Looked After'

'Children Looked After' or a child who was previously looked after but then immediately became subject to an adoption, residence or special guardianship order will be admitted over and above any other child in accordance with the School Admissions Code 2012. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (as defined in Section 22(1) of the Children Act 1989).

2. Locals

The Parish boundaries of Ingatestone, Mountnessing and Margaretting are strictly applied to identify the local area and steps are taken to ensure that the child is permanently resident within the area. This seeks to prevent use of temporary addresses or the addresses of relatives used purely for securing attendance at the school. (Map available on request). Children attending Ingatestone and Fryerning Junior School, Margaretting Primary School and Mountnessing Primary School, and on roll for Year 6, are included in this category.

3. Siblings

A child can be included in this category if they have a brother or sister attending the school at the time of their own application and where there is a reasonable expectation that the older sibling will still be in attendance at the time that the younger child is admitted. The definition of a sibling is a child who has a brother, sister, adopted brother or sister or stepbrother or stepsister living in the same family household and address. Biological brothers and sisters will be treated as siblings irrespective of place of residence. Children of staff can be included in this category where the member of staff has been employed at Anglo European for two or more years at the time at which the application for admission to the school is made, and/or is recruited to fill a vacant post for which there is a demonstrable skill shortage.

4. International

If places remain after Criteria 1-3 have been allocated, they will be offered to the applicants who achieve the highest scores in Criteria 4. The International category is for children who demonstrate that they have benefited from a strong and positive influence of a language and/or culture other than English. This will include a significant period of permanent residence outside the U.K. or a direct, substantial and sustained experience of a language and culture other than English. Applicants will be ranked according to the points system on the Supplementary Information Form (SIF) so completion of this form enables you to provide us with the information necessary for an objective decision to be made.

In keeping with our internationalist ethos, our definition of culture is a community or country's shared traditions, values and attitudes, where English is not the dominant language of that community or culture. Our definition of a cultural experience is an experience that involves the child actively participating in such traditions and immersing themselves in such values and attitudes. The child's interests, hobbies or membership of societies are not relevant.

5. Other Application

Any other applications.

Children who have an Educational Health and Care Plan (or Statement of Special Educational Needs) have a statutory right to nominate their school of choice. Anglo European School will consider these applications in the light of the provision we can offer and in line with the statutory duty laid down in relevant law.

If there is a tie, the place will be allocated on the basis of random allocation to ensure that the school maintains its regional nature in keeping with the original vision of the school.

Evidence:

It is vital that verification is provided for Criteria 4 (International). If a successful applicant is subsequently found to have submitted false verification, the Governors will reserve the right to ask the child to leave the school. Please do not include any other information. The Anglo European School is an all ability comprehensive School. Certificates of achievement (including achievement relating to English and other languages), academic reports or letters from Headteachers referring to ability cannot be considered. Students have been admitted from each of these criteria in previous years.

SIXTH FORM APPLICATIONS

The School has a Sixth Form capacity of approximately 300 students. The number intended to admit externally into Lower Sixth each year, in addition to our internal candidates, is up to 50 students. Admissions into the International Sixth Form at the Anglo European School are either made through internal application from existing students or by external students using the Sixth Form application form. This is available from the school or on our website. Admission requires the meeting of our matriculation requirements, details of which are on our website, alongside evidence of engagement with internationalism and potential for success in the courses chosen across the four different routes offered. Students with overseas qualifications are welcomed and assessed individually.

WAITING LISTS AND APPEALS

In addition to their right of appeal, unsuccessful candidates for Year 7 2019 will be placed on a waiting list for one term. After that, parents wishing to remain on the waiting list must write to the Headteachers expressing that wish. Mid-year and sixth form applications will also, in addition to their right of appeal, be held on a waiting list for that academic year. If parents wish for their child to join or to remain on the waiting list for the following year after that date, they need to contact the school in writing to request this by the end of September 2019. Waiting lists will be maintained in order of the oversubscription criteria set out above and not in the order in which applications are received or added to the list. Information of the appeal process can be found in the admissions area of our website.
