

Digital Communication Emergency Closure Tasks

KS3

Y7 & Y8 – On a sheet of A4, design your ideal smartphone. If money and current technology were no object, what features and capabilities would you want your phone to have? You need to draw a diagram of what the phone would look like, and annotate it to explain the features you have chosen.

Y9 – Use what you have learnt about colour psychology to explain why Cadbury have chosen to use the specific colours below in this advert for Marvellous Creations.

KS4

Media Studies

Write an analysis of the use of the colour red to represent danger in a media product of your choice.

Extension Task: Revise for your examinations using the [BBC Bitesize pages on Media Studies](#).

Computer Science

Answer the following essay style question, paying close attention to your QWC.

Evaluate the impact advances in computer technology have had on the way we purchase and sell goods.

Extension Task: Revise for your examinations using the [BBC Bitesize pages on Computer Science](#).
