

ANGLO EUROPEAN SCHOOL

Sixth Form Students' Destinations – 2020

On average 85% (versus 62% state school average) of our students, including those who take a gap year, go on to University to study a range of courses. 15% go on to take a range of opportunities including apprenticeships, employment and travel.

39% of students gained places at Russell Group Universities (versus 26% state school average) and 87% gained a place at their first choice University. Over the past few years our students have additionally received offers from Universities such as Nagoya University in Japan, University of Amsterdam, Princeton in the USA, University of Montana, IE University in Spain, University of Munich, University of British Columbia, Canada, Hong Kong University of Science and Technology, and Universities in Ukraine and Bulgaria, all of which have a significant international reputation.
