

Which course? Which university?

How important are the below considerations?	Very	Kind of	Not really	Not at all
Course facilities (equipment & technology)				
Library (opening times, resources available)				
Course assessment method (exams or coursework?)				
Employment prospects (careers service, graduate employment rates)				
Study abroad opportunity				
Work placement opportunity				
Cost of living				
Accommodation (bills included? On campus?)				
Ability to stay on campus after 1st year				
Distance from home (commuting?)				
Location (is there anywhere to shop? Restaurants? Cinema? Easy to get to and off campus? Religious commitments?)				
Campus University				
Town/city-based university				
Size of university				
Quality of the Open Day				
Sport & Exercise facilities (variety, cost)				
Clubs & Societies				
Social facilities (nightclub, pubs, restaurants, cafes)				
Being part of a diverse student community				
If your friends / partner is going				
Reputation of the university				
League tables				
TEF rating (gold/silver/bronze) (Standard of teaching)				
Opportunities to continue professional/ personal development (coaching qualifications, DofE, volunteering)				
Wellbeing (mindfulness, counselling, wellbeing mentor)				
Support with Disabled Student Allowance application				
Additional Learning Support				
Ability to e-meet lecturers				
Campus safety (security, CCTV, secure keys)				

Thinking about Herts? Visit [herts.ac.uk](https://www.herts.ac.uk).

- We are TEF Gold
- Most courses offer paid work placement and study abroad opportunities.
- 96.5% of our students are in work or further study within 6 months of graduating.
- On campus accommodation is guaranteed for first year students, including students in clearing (you'll need to apply by the deadline).
- 25 minutes from London by train.

Wishing you all the best for your future.
