

# Anglo European School International Enterprise Academy

## Overview:

The Anglo European School International Enterprise Academy is a centre of excellence for students studying Business, Economics and Financial Studies courses.

Through our accreditation from the Peter Jones Enterprise Academy, students develop Business acumen, Economic and Financial literacy, work-ready competencies and a holistic understanding of the rapidly changing and globalised world around them.

Students graduate from the Enterprise Academy ready for employment in international business settings or further education.

## Study Programme

### IBCP Route

Many Enterprise Academy students choose either Edexcel A Level Business or LIBF Financial Studies as their "Career related study" in our International Baccalaureate Career Related Programme route. Please see the prospectus for this route in a separate document.

### Enterprise Academy Course Options

- Edexcel A Level Business \*
- IB Business Management (Standard Level)
- Eduqas A Level Economics
- IB Economics (Higher and Standard Level)
- LIBF Financial Studies

*\*All students studying this course will be registered for the Peter Jones Enterprise Academy. They will be given exclusive access to the opportunities detailed with a \* in the "opportunities and extra curricular" section on the right*

## Alumni Destinations

Enterprise academy graduates venture into a variety of pathways. These include:

University, Employment, Apprenticeships and Gap Years

## Opportunities and Extra Curricular

### • Tycoon Enterprise Challenge

Students have the opportunity to start a business with funding from the Peter Jones Enterprise organisation. Students are given the opportunity to compete nationally, receive mentoring and gain feedback on their plans.

### • Bespoke work experience

Students undertake a work experience placement, which could be abroad. Students have the opportunity to develop work ready competencies and develop their understanding of the world of work.

### • Community Lectures & Visits

Students attend regular community lectures in school, hosted by industry experts discussing topical events. Students also attend the "City of London" visit, attending the Bank of England, Blackrock, Lloyds of London and Investec. We also take students to regular "Women In Economics" events hosted by the Royal Economic society.

### • Elevate Character Education Programme

Students engage with a national character education programme, which builds their personal brand and networks.

### • Unifrog

Student career interests are identified and developing using the Unifrog portal, providing an opportunity to build a competency portfolio

### • Flash Challenges\*

Students partake in at least three enterprise challenges per academic year. These range from starting a micro business to solving a problem for a specific company. All entries are submitted to the Peter Jones Enterprise organisation.

### • Peter Jones Enterprise Academy Alumni Mentoring \*

Students are given access to the alumni mentoring network, which host frequent events for young entrepreneurs and provide mentoring opportunities

### • National Entrepreneur Award \*

Students have the opportunity to partake in this prestigious award, building a business with the help of industry experts

### • "Entfest" Graduation\*

Students attend the Peter Jones Enterprise Academy graduation day. Students attend workshops which develop their enterprising characteristics.

## Learner Profile

Inquisitive	Knowledgeable	Critical	Articulate	Principled	Open-minded	Kind	Courageous	Healthy	Reflective	Creative	Enterprising
