

# ANGLO EUROPEAN SCHOOL

## Sixth Form Students' Destinations – 2021

On average 85% (versus 62% state school average) of our students, including those who take a gap year, go on to University to study a range of courses. 15% go on to take a range of opportunities including apprenticeships, employment and travel.

43% of students gained places at Russell Group Universities (versus 26% state school average) and 80% gained a place at their first choice University. Over the past few years our students have additionally received offers from Universities such as Nagoya University in Japan, University of Amsterdam in The Netherlands, Princeton in the USA, IE University in Spain, University of British Columbia in Canada, and Hong Kong University of Science and Technology, all of which have a significant international reputation.
